**Campers will  
discover that peace  
begins with them!**

Peace Camp offers children the opportunity to explore cooperation and conflict resolution in a safe and supportive environment.

Campers are taught skills to deal with their problems in a peaceful manner and encouraged to come up with their own creative solution to the problems they see in the world.

Every day, Peace Camp starts and ends with the peace circle. The rest of the day campers rotate between activities such as:

- Art
- Music
- Dance
- Nature walks
- Storytelling
- Cooperative games
